FACULTY DEVELOPMENT PROGRAM

FDP will be conducted by international and national experts in simulation. Level 1 certification will be provided. For those who wish to pursue further in this field, a senior mentor would be provided to complete level 2 & 3 certification over one year. After completion of level 3 training, candidates will be able to design curriculum, conduct scenarios, debrief multidisciplinary teams to improve patient outcomes.

PROGRAM HIGHLIGHTS:

- The role of simulation in education and quality improvement.
- Practice the principles of Crisis Resource Management and Multidisciplinary team training
- Building simulation curriculum: needs assessment, scripting, design and conduct scenarios
- Debrief various level of learners – the essence of simulation
- Conduct high realism scenarios with low cost

25-26 Sept

Who can attend?

- Health care professionals with some background about simulation training
- Pediatricians, Physicians, ER Specialist, Anesthetists, Intensivists, Surgeons, Nurses, Paramedics, Allied Healthcare

National Coordinators

- Dr. Sujatha Thyagarajan
- Dr. Geethanjali Ramachandra

Local Coordinators

- Dr. Rohit Bhowmick: 9629135875
- Mr. Bobby S: 9870142104

Conference registration is mandatory
