

SRI BALAJI VIDYAPEETH
DEEMED TO BE UNIVERSITY
ACCREDITED BY NAAC WITH A GRADE

Medical Simulation Center

MAHATMA GANDHI MEDICAL COLLEGE & RESEARCH INSTITUTE
Pillaiyarkuppam, Pondicherry - 607 403

Shri. M.K. RAJAGOPALAN
Chancellor, SBV

Prof. NIHAR RANJAN BISWAS
Vice Chancellor, SBV

Training in Healthcare Simulation

Course jointly conducted by MSC, MGMCRI & Pediatric Simulation Training and Research Society (PediSTARS)

National Level Interdisciplinary Certification Program

Course Faculty:

Dr. Rakshay Shetty
Head, Pediatric Intensive Care Services, Academic Director, Department of Pediatrics, Fellowship Program Director, Pediatric Critical Care Medicine Program Rainbow Children's Hospital, Bangalore Founder Member, PediSTARS, India

Dr. Smita Das
Associate Professor, College of Nursing, AIIMS, New Delhi.

Dr. Dinker R Pai
Director of Medical Simulation Centre & Prof of Surgery

Dr. Hemanth Kumar V.R
AHA ITC Co-ordinator, MSC, Prof & HOD of Anaesthesiology

Dr. Rajkumar Elanjeran
In-charge, Vinayaka Mission's Simulation Innovation (VISION) Center Arupadaiveedu Medical College & Hospital, Puducherry

Dr. Sobana R
Deputy Director of Medical Simulation Center & Professor of Physiology

Dr. Podhini J
Associate Professor of Pediatrics Mahatma Gandhi Medical College & Research Institute, Puducherry

Dr. Vikneswari Karthiga S
Associate Professor of Pediatrics Mahatma Gandhi Medical College & Research Institute, Puducherry

Dr. Gunaseelan R
Assistant Professor, Emergency Medicine & Trauma Arupadaiveedu Medical College & Hospital, Puducherry

OBJECTIVES

- To train healthcare faculty in the use of simulation based Education
- To use the principles of andragogy in debrief following a simulation activity

OUTCOME & BENEFITS

- ▶ The role of simulation in education and quality improvement.
- ▶ Practice the principles of adult learning.
- ▶ Understand and practice the principles of Crisis Resource Management and Multidisciplinary team training
- ▶ How to Build simulation curriculum: needs assessment, scripting, design and conduct scenarios
- ▶ How to debrief various levels of learners – the essence of simulation
- ▶ Learn how conduct high-realism scenarios with low cost
- ▶ Mentoring by International & National Simulation experts for one year

This workshop will be conducted by international and national experts in simulation. Level 1 certification will be provided by Pedi STARS for candidates completing this 2-day workshop. For those who wish to pursue further in this field, a senior mentor would be provided to complete level 2 certification over 6 months and level 3 certification over 1 year. At the end of 1 year, after completion of level 3 training, candidates will be able to design a curriculum based on Simulation, conduct simulation at their workplace to improve patient outcomes and debrief multidisciplinary teams.

TARGET AUDIENCE

All healthcare faculty from medical and nursing disciplines who want to use simulation for education and quality improvement.

Date **07 - 08**

Friday - Saturday

FEBRUARY 2025

Time: 8.30 am - 4.30 pm

Medical Simulation Centre, MGMCRI, SBV

Account Name : MGMCRI SKILL LAB
Bank : Indian Bank
Branch : Kirumampakam, Pondicherry
Account Number : 6667230807
IFSC Code : IDIB000P042

CATEGORY	AMOUNT
Doctors	Rs. 25,000/-
Nurses	Rs. 15,000/-

All participants are eligible to do the Level2 FDP of PediSTARS which involves handholding to conduct at least 6 scenarios at their own workplace by mentors assigned by PediSTARS. Those completing Level 2 can do Level 3 optionally to complete their simulation certification for an extra payment. The details will be announced during the FDP. The registration fee includes Level 1 and Level 2 training

TNMC Credit points will be awarded
